

Course Inquiry / Request Form

Why Choose Wound Care Education Partners?

Inexpensive

- All-inclusive course fee (includes training, materials and faculty)
 - No travel or other associated costs for participants

Cost Effective

- The fee of \$14,000 is all inclusive of training, materials and faculty for up to 40 participants per class.
 - Typically, other educational companies charge \$1,000 per attendee and full costs including travel, meals and lodging is on average around \$3,000. (\$1,000 tuition, \$800 airfare and \$1,200 for meals, transportation and lodging.
- Includes electronic content and resources on a 4-8 GB memory stick.
- Includes a textbook on hyperbaric medicine

Flexible Scheduling – Conveniently scheduled for the customer, typically starting on a Saturday and ending on a Tuesday.

- Physicians maintain a presence in the community and typically only miss 2 days of office time.

Approved Credits – UHMS, NBDHMT, the Florida Board of Nursing and the Florida Board of Respiratory Therapy. Please see each individual course description for specific accreditation details.

Credentialed Faculty – Wound Care Education Partners' faculty are board certified in the case of physicians and certified hyperbaric nurses or nurse CHT's.

Face to Face Learning – There is a distinct advantage of personal instruction in an intimate learning environment with peers and provides the advantage of 'team training'. In addition, customized training on their equipment provides real value and understanding regardless of monoplance or multiplace training.

Follow Up Training and Consultation – Access to faculty does not end with the program, as WCEP faculty are available to assist the customer by phone or email for 90 days without additional cost.

Please complete this Course Inquiry/Request Form and return it to our main offices.
